

Parents and Families

It's Sunday afternoon as I write this letter and I am very proud of the work our staff has done to prepare for educational opportunities for our students. BA is truly blessed to have such an amazing group of educators. You will be receiving a detailed format in regard to assignments for your student for the 10 "extra" days we are out of school. I want to thank you for your understanding, patience and willingness to adapt as we navigate this challenging period. We want to keep our students engaged and learning, therefore we are creating a modified, remote learning plan. To assist students, we will open the main building from 2:00 – 4:00 p.m. tomorrow, Monday, March 16th.

Elementary teachers will place any books or materials in the main hall. Middle and High school students may retrieve books and materials from their lockers. We are implementing a strict visitor protocol. Retrieve necessary materials and refrain from visiting with other students, parents or teachers. Please practice social distancing for health reasons.

We feel most students have a device that can be used for on-line assignments. If you have a problem or need a device come by school during the 2:00 p.m. to 4:00 p.m. timeframe and check out a chromebook. This is a valuable opportunity for students to learn to access school information in a new, innovative way that will benefit them in years to come.

All school activities (including cheer tryouts) are cancelled at this time.

Sincerely,
